

Caroline Tosoni M.D., M.Ps, B.A., CFPC

Originally from Montréal, Dr. Tosoni initially obtained a B.A. in Psychology at McGill University and then completed a Masters in NeuroPsychology at the University of Montréal. She then pursued her medical degree at McMaster University and completed her Post-Graduate Medical Residency in Ottawa in 1998; following which she opened her medical practice in Ottawa, where she lives with her husband and four children.

Since 2000, Dr. Tosoni has dedicated her medical practice to Non-Surgical Medical Aesthetics. In 2013, after practicing mainly in Orleans for 15 years, Dr Tosoni opened her downtown boutique clinic, TosoniMD, where she continues to offer the highest level of client care and professional skills. Over the years, Dr. Tosoni has received extensive training from leading experts from Canada, U.S and Europe in: Vein Treatment, Botox for Cosmetic applications, Botox for Excessive Sweating (Hyperhidrosis) and Botox for Migraine Headaches, Dermal Fillers, Soft Lift Treatment, and BeautiPhication, also Cosmetic Dermatology, Aesthetic Laser Medicine for the treatment of vascular lesions, Acne Rosacea and Melasma and most recently for CoolSculpting Body Contouring.

In 2015, Dr. Tosoni's practice obtained the designation of Focused Practice in Dermatology by the Ontario Medical Association and the Canadian College of Family Physicians. As a result of her skills and dedication to the field of Cosmetic Medicine, Dr. Tosoni is now recognized as one of the premier injectors of Botox and Dermal Filler in the country. She is the first and only physician in Eastern Ontario to have received, year after year since 2014, the distinguished Double Diamond Status with Allergan: a status achieved by only a handful of doctors across Canada.

Dr. Tosoni is a trusted source of information and as such has been a regular guest on television and has been interviewed by various journalists over the years for her opinion, knowledge and insight into the world of cosmetic medicine. She also participates regularly on various advisory boards for Allergan, the maker of Botox and Juvederm.

By using only the most advanced techniques, finest products, meticulous attention to detail and dedication to the artistic qualities of Cosmetic Medicine, Dr. Tosoni seeks to work with her clients to achieve a beautiful and realistic outcome. Her goal is to always provide her clientele with youthful yet refined and natural results.
